About Our **Company**

Founded in **2022** in the Kingdom of Saudi Arabia, **Himmat** began as a trusted name in lifting equipment and accessories trading. With a strong commitment to quality, reliability, and innovation, the company has rapidly evolved into a multi-vertical enterprise serving diverse industrial sectors.

Over the years, **Himmat** has expanded its capabilities into industrial materials trading, portacabin manufacturing, engineering services, and transportation and logistics solutions through its group companies. This strategic diversification enables us to deliver complete, end-to-end support for industrial, infrastructure, and construction projects across the Kingdom.

At **Himmat**, we believe that success is built not just engineered. Our team of professionals combines technical expertise with a deep understanding of client needs to deliver practical, high-performing, and sustainable solutions. From equipment rentals and manpower supply to construction support and turnkey project execution, we bring precision and reliability to every stage of our service.

Driven by our promise to **Engineer Success Together**, we continue to build a reputation founded on trust, excellence, and partnership empowering industries, enabling growth, and shaping a stronger tomorrow for Saudi Arabia.

Vision

To be a leading and trusted engineering and contracting powerhouse - delivering innovative, sustainable, and high-quality solutions across civil, mechanical, electrical, infrastructure, and industrial sectors.

We strive to empower our clients and communities through excellence, integrity, and the intelligent application of cutting-edge technology, shaping a future built on progress and performance.

Mission

To provide comprehensive, reliable, and innovative engineering and contracting solutions by leveraging skilled professionals, advanced technologies, and sustainable practices.

We are committed to exceeding client expectations through uncompromising quality, safety, and timely execution. By fostering long-term partnerships and delivering value-driven results, we aim to contribute positively to the industries and communities we serve building success with integrity and purpose.

Core **Values**

Integrity

We conduct every aspect of our business with honesty, transparency, and accountability building trust with clients, partners, and communities.

Excellence

We pursue the highest standards in quality, safety, and performance, ensuring every project reflects our commitment to precision and professionalism.

Innovation

We embrace modern technologies and creative thinking to deliver smarter, more efficient, and sustainable engineering and contracting solutions.

Collaboration

We believe in teamwork and strong partnerships working closely with clients, employees, and stakeholders to achieve shared success.

Sustainability

We are dedicated to environmentally responsible practices that create long-term value and contribute to a cleaner, more sustainable future.

Interior and **Exterior Work**

Himmat Contracting Company delivers comprehensive interior and exterior works for residential, commercial, and industrial projects across the Kingdom. Our services include interior fit-outs, gypsum partitions and ceilings, painting, flooring, tiling, decorative finishes, façade works, cladding, plastering, waterproofing, landscaping, paving, and other external development works.

With a focus on quality craftsmanship, timely execution, and strict safety standards, our experienced team provides tailored solutions that enhance both the functionality and appearance of every project. From new construction to renovation and refurbishment, we ensure durable, aesthetically appealing, and cost-effective results that meet our clients' expectations.

Civil **Work**

Himmat Contracting Company civil construction services for residential, commercial, industrial, and infrastructure projects across the Kingdom. Our expertise includes site preparation, excavation, earthworks, concrete works, foundation construction, structural works, masonry, roadworks, paving, all executed in compliance with the highest quality and safety standards.

Backed by experienced engineers, skilled professionals, and modern equipment, we deliver reliable and cost-effective civil solutions tailored to the specific requirements of each project. From new construction to renovation and maintenance, we are committed to completing every project on time, within budget, and to the highest standards of workmanship.

Reliable Civil Engineering Solutions, Built to Last.

Gypsum **Works**

Himmat Contracting Company offers high-quality gypsum works for residential, commercial, and industrial projects. Our services include gypsum partitions, false ceilings, decorative ceiling designs, wall cladding, bulkheads, cornices, and custom gypsum installations, designed to enhance both functionality and aesthetics.

With skilled craftsmen and premium materials, we deliver precise workmanship, smooth finishes, and durable solutions tailored to each project's requirements. We are committed to completing every gypsum work efficiently while maintaining the highest standards of quality, safety, and customer satisfaction.

MEP **Works**

Himmat Contracting Company provides reliable MEP (Mechanical, Electrical, and Plumbing) services for residential, commercial, and industrial projects. Our expertise includes electrical installations, plumbing systems, HVAC works, fire protection systems, and maintenance services, ensuring safe, efficient, and compliant project execution.

Backed by experienced professionals, we deliver high-quality MEP solutions that meet project requirements while ensuring timely completion and long-term performance.

Painting **& Putty Works**

Himmat Contracting Company provides professional painting and putty works for residential, commercial, and industrial projects. Our services include interior and exterior painting, wall putty application, surface preparation, primer coating, texture finishes, decorative coatings, and protective painting solutions that enhance the appearance and durability of every structure.

Our experienced painters use premium-quality materials and proven application techniques to deliver smooth finishes, long-lasting protection, and excellent workmanship. We are committed to completing every project on time while maintaining the highest standards of quality, safety, and customer satisfaction.

Flooring **Work**

Himmat Contracting Company provides professional flooring solutions for residential, commercial, and industrial projects. Our services include tile installation, marble and granite flooring, ceramic flooring, vinyl flooring, epoxy flooring, interlock paving, and floor finishing works, ensuring durability, functionality, and an attractive appearance.

With experienced professionals and quality materials, we deliver precise installation and flawless finishes tailored to each project's requirements. We focus on timely execution, superior workmanship, and long-lasting flooring solutions that enhance the value and performance of every space.

Equipment **Rentals**

Himmat Contracting Company provides a comprehensive range of equipment rental solutions to meet the diverse needs of construction, industrial, and infrastructure projects across the Kingdom. Our fleet includes heavy machinery, lifting equipment, earth-moving units, power systems, and material handling equipment—all maintained to the highest performance and safety standards.

We understand that every project has unique requirements, which is why we offer flexible rental options—short-term, long-term, and project-based—supported by trained operators and technical assistance. Our goal is to help clients reduce downtime, optimize productivity, and achieve cost-effective project execution through reliable and readily available equipment.

Lifting Equipment

- Hydraulic Crane
- Crawler Crane
- Boom Truck
- Forklift
- Articulated and Telescopic Man lift
- Mobile Crane
- Tower Crane
- Boom lifts

Transportation

- Flat Bed Trailer
- Hydraulic Low Bed Trailor
- 55 Seated Bus
- 33 Seated Coaster
- 15 Seated Hi Ace
- Pick Up, SUV's & Sedan
- Water tankers
- Dump trucks

Earth Moving Equipment

- Bulldozer
- Grader
- Wheel Loaders
- Excavator
- Rock Breaker
- Dump Truck
- Back Hoe
- Roller Compactor

Power & Portable Machinery

- Air Compressor
- Tower Lights
- Welding Machine
- Power Generator
- Welding machine

Powering Projects with **Reliable Equipment Solutions**

Cable Pulling Machines

Concrete Mixers

Bar Bending Machine

Manpower Supply

Himmat Contracting Company provides skilled, semi-skilled, and unskilled manpower solutions to meet the growing demands of the construction, industrial, mechanical, electrical, and logistics sectors across the Kingdom of Saudi Arabia.

Our manpower division is dedicated to supporting projects with qualified professionals, certified technicians, and experienced laborers who are trained to work safely, efficiently, and in full compliance with project specifications and local regulations.

Engineers

- Mechanical Engineer
- Planner
- H.V.A.C Engineer
- Civil Engineer
- Instrumentation Engineer
- Piping Engineer
- Electrical Engineer
- Material Engineer
- QA/QC Inspector
- Safety Engineer

Administrative Staff

- Executive Secretary
- Data Entry
- Document Controller
- Office Boy
- Administration Assistant
- Computer Operator
- AutoCad (Civil, Mechanical)
- Permit Receiver (ARAMCO)
- Time Keeper
- Janitor
- Telephone Operator
- Office Driver

Supervisors

- Steel Structure Supervisor
- Piping Supervisors & Foreman's
- Mechanical Supervisors & Foreman's
- HAVC Supervisors & Foreman's
- Civil Supervisors & Foreman's
- Instrumentations Supervisors & Foreman's
- Electrical Supervisors & Foreman's
- Millwright Technician & Foreman's
- Scaffolding Supervisors &
- Foreman's (TUV Certified)
- Pre commissioning Supervisors
- Commissioning Supervisors

Electro-Mechanical Workforce

- Welding Inspector
- QA/QC (Civil,
- Mechanical,
- Instrument Technician
- Millwright Technician
- Tig Welders (Ss/cs)
- Mig Welder
- 6g Welder
- Structural Fabricator
- Piping Fabricator

Operators

- Crane Operator
- Forklift Operator
- Excavator Operator
- Boom Truck Operator
- Manlift Operator
- Bobcat Operator
- Heavy Driver

Civil Workforce

- Plumber
- Carpenter
- Electrician
- Steel Fixer
- Scaffolder
- Painter

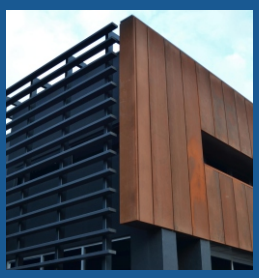
Rigger

- Level 1 Rigger
- Level 2 Rigger
- Level 3 Rigger

Engineering & Construction

Civil & **Constructions**

Himmat Contracting Company delivers comprehensive civil and construction services for industrial, commercial, and infrastructure projects across the Kingdom of Saudi Arabia. With a strong focus on quality, safety, and timely execution, we undertake projects of all scales — from site preparation to full structural completion.



Earthworks & Site Preparation

- Excavation
- Backfilling
- Grading
- Compaction
- Trenching
- Clearing
- Grubbing

Foundations & Substructures

Structural & Concrete works

- Concrete works (casting, curing, formwork)

Roads & Pavements works

- Infrastructure construction(Sub-base and base course,Asphalt paving,Concrete roads and pavements,Road signage and markings,)

Finishing works

- Plastering, Painting, Tiling, Interior, Waterproofing

Fencing, Guardrails and Barriers

Formwork & Reinforcement

Cladding & Facade works

Carpentry & Joinery

Structural Steel Fabrication And Erection

Roofing Works

Railway & Metro Track laying and ballast works

Landscape & Urban Design

- Public parks and green spaces,Irrigation systems,Footpaths, curbs, and street furniture

Engineering & Construction

Electro-Mechanical **Projects**

Himmat Contracting Company provides end-to-end Electro-Mechanical (MEP) solutions that integrate advanced engineering, precise execution, and reliable performance for industrial, commercial, and infrastructure developments.

Our scope of work includes mechanical installations, HVAC systems, plumbing and firefighting systems, electrical networks, and instrumentation works, all designed and executed to meet international standards and client specifications.

- HVAC Systems
- Plumbing & Drainage
- Piping Work
- Sandblasting
- Mechanical Equipment Installation
- Insulation Works
- Fire Fighting Systems

Engineering Precision, **Powering Performance**

Engineering & Construction

Electrical & Instrumentation

Himmat Contracting Company offers comprehensive Electrical and Instrumentation solutions for industrial, commercial, and infrastructure projects. Our expertise spans low and medium voltage electrical systems, control panels, automation systems, process instrumentation, and safety systems, all executed with precision and adherence to international standards.

Our skilled team ensures seamless installation, testing, commissioning, and maintenance of E&I systems, providing clients with reliable, efficient, and safe operations. By integrating modern technologies with industry best practices, Himmat Al Arab delivers solutions that enhance productivity, operational reliability, and long-term sustainability.

Lighting Systems

- lighting installation, Street lighting, Facade lighting

Low Current / ELV Systems

- Fire alarm, CCTV and surveillance,Access control systems,Public address (PA),Data & structured cabling,Intercom and IPTV

Power Distribution Systems

- MDB,SMDB,DB,BBT,Cable trays & trunking

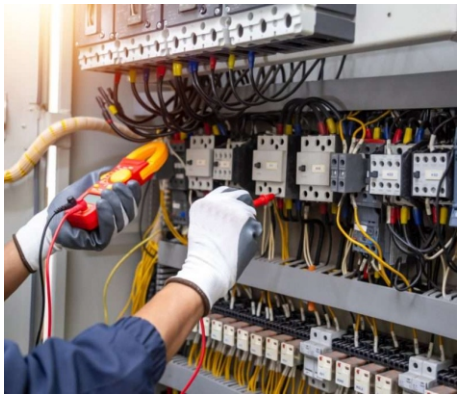
Wiring & Cabling

- Underground and overhead cable laying

Earthing & Lightning Protection

Standby Power Systems

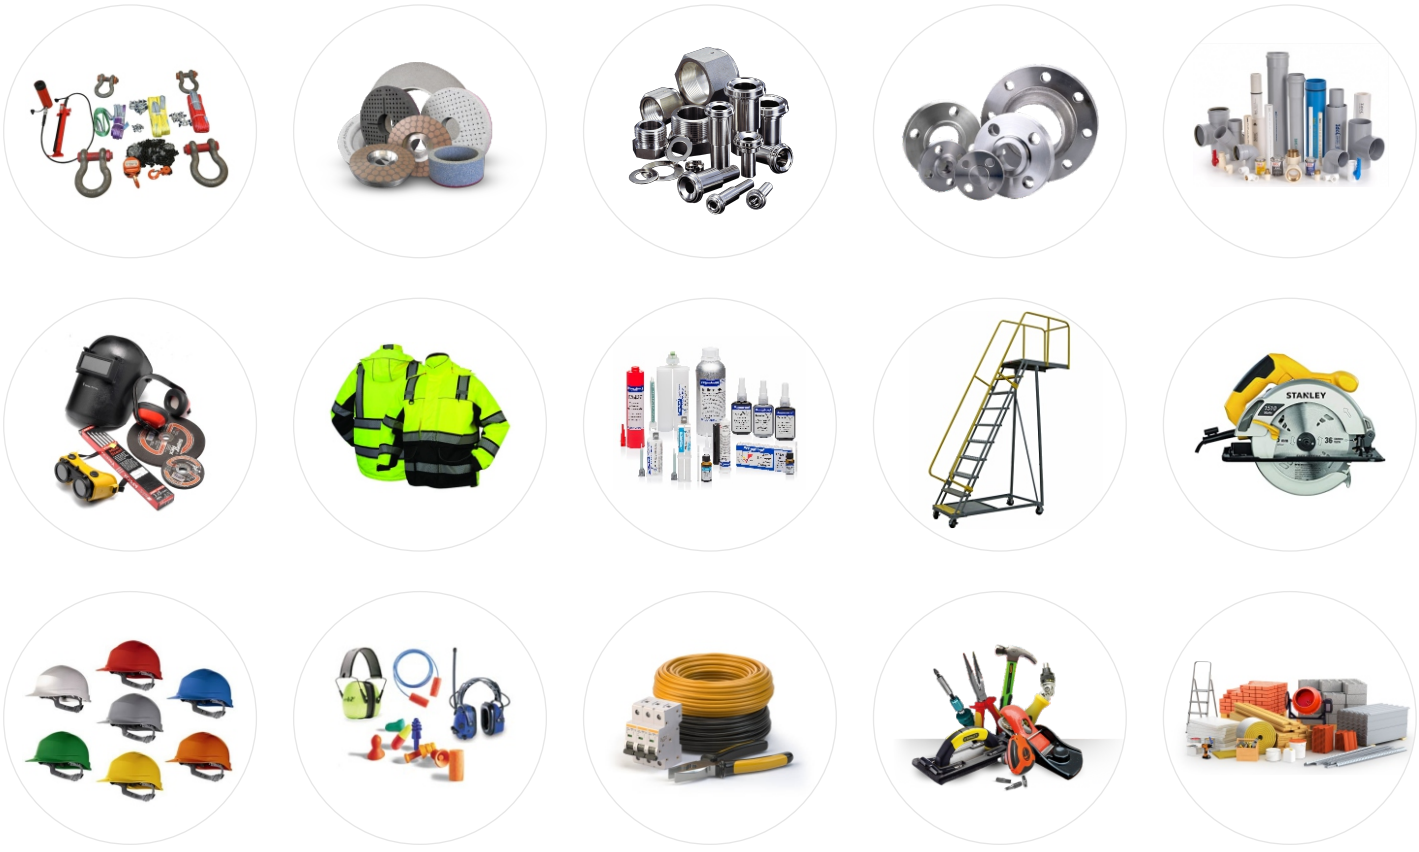
- Diesel generators,UPS systems,ATS



Materials Trading & Manufacturing

Himmat Contracting Company offers a comprehensive range of materials trading and manufacturing solutions for construction, industrial, and infrastructure projects across Saudi Arabia. We supply high-quality construction materials, industrial components, and engineered products, ensuring consistency, durability, and compliance with international standards.

- Porta Cabins
- Lifting Equipments & Accessories
- Ladders, Stairs & Platforms
- Safety Equipments
- Pipes & Fittings
- Scaffolding Materials
- Electrial & Plumbing
- Structural Steel
- Flanges
- Building Materials
- Machineries
- Adhesives
- Welding Accessories
- Cables & Analyzers
- Quarrying Materials



Transportation & Logistics

Himmat Contracting Company provides comprehensive transportation and logistics solutions designed to meet the diverse needs of construction, industrial, and commercial projects across Saudi Arabia. Our services include road freight, container handling, bulk storage, and project logistics, supported by a modern fleet, advanced tracking systems, and skilled personnel.

- Full Truckload (FTL) and Less-than-Truckload (LTL) services
- Heavy equipment and machinery transport
- Oversized and specialized cargo handling
- Loading and unloading of containers
- De-stuffing and stuffing services
- On-site logistics support
- Coordination of multi-modal transport
- Storage and handling of bulk materials
- Packaging and labeling for safe transport
- Modern and well-maintained vehicle fleet
- GPS tracking and route optimization
- Hazardous and sensitive material handling
- Refrigerated and temperature-controlled transport
